Cat6 UTP LSZH Patch leads

Features

- 25 year product / system warranty
- Snagless flush fit strain relief boot
- RJ45 plug with 50 micron gold plated contacts
- Cat6 U/UTP LSZH full copper cable
- Available in seven colours

Our Cat6 LSZH range of patch leads are individually tested and certified to component level Category 6 TIA/EIA 568-B 2.1 performance requirements. Each lead is assembled using 24AWG 4 pair U/UTP LSZH full copper high performance cable using RJ45 plugs with 50 micron gold plated contacts and flush fit snagless boots which are ideal high density applications.

RAL colours: Blue (RAL5015), Red (RAL3020), Green (RAL6016), Black (RAL9005), Orange (RAL2011), Yellow (RAL1018), Grey (RAL7044), Violet (RAL4005)
