Power grommets

Power grommets with wireless QI and USB charger & otional media

- Type A&C USB smart charger
- Interchangeable media slot
- 80mm cust out, desk 10mm-70mm
- Individually fused to BS6396:2008
- Multiple data/AV options
- Available in black and white

The PD Combo-Advance is the most adaptable desk power grommet available, the installer can add a keystone media coupler to the clients requirement, Cat 6, HDMI, USB, RJ11 or RJ12 colour coded couplers snap into place with no tooling required, if there are no data / AV requirements the media slot doubles as a cable pass through to the desktop.

The advanced A&C USB charger has a total output of both A&C of 18W max:
USB-A QC 3.0, 2V/5A, 5V/3A & 9V/2A, USB-C PD, 2V/5A, 5V/3A & 9V/2A.
Combined at 5V gives a constant 3.4A, 2V 5A etc.

Available in black and white, a simple 80mm nut under the desk (thickness 10mm to 70mm) secures the grommet in seconds, ready to plug in with a START mains lead.
