P | Cabling

The OpDAT ADT – in a new design

Product specification

Versatile FO distributor outlet for up to 8 fibers. With their attractive look and compact design, they are perfect for office and premises cabling as well as FITH.

Properties

- compact distributor outlet in minimalistic design
- for mounting on a cavity wall or as a surface mount outlet
- break-out catches for vertical or horizontal mounting on DIN rail systems
- prepared for splicing installation cables to pigtails or for direct connection of pre-terminated cables
- suitable for up to 4x LC-Duplex, SC-Simplex or E2000-Simplex adapters
- all single mode adapters are equipped with laser shutters
- unoccupied breakouts are closed with blind plugs
- splice trays incl. crimp splice holder
- simple installation due to fold-up and removable splice trays
- cable entry from right, left, top or bottom and rear inlet for cavity wall applications
- for cables with a diameter of up to 7 mm
- space available for cable and fiber reserves

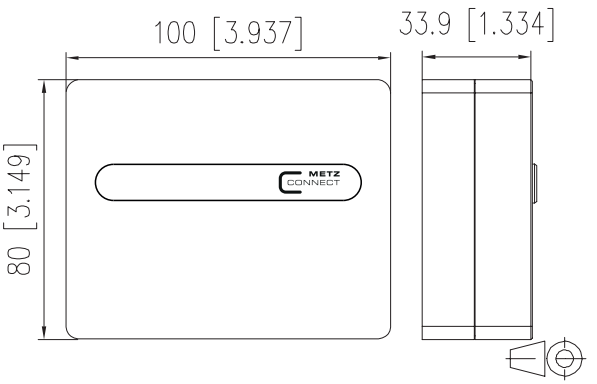

Areas of Use

- Office and premises cabling
- Home cabling (Fiber In The Home)
- Distribution technology in the technical room
